If you have any questions, please do not hesitate to contact Dan Machek at (530) 332-9909 office, (530) 332-9905 fax, or [dan@gallawayenterprises.com](mailto:dan@gallawayenterprises.com). This quote is supplied with the understanding that we are exempt from the requirement of providing certified payroll.

### Scope of Work:

Gallaway Enterprises will provide a qualified **Contractor Supplied Biologist(s) (Item 29)** to satisfy species protection and survey requirements for the term of the project, which will include:

- Pre-construction survey(s) and report;
- Conduct focused surveys for active bird nests;
- Implement monitoring and reporting requirements described in the Natural Resources Protection Plan;
- Final Monitoring visit and report.

Gallaway Enterprises will provide a qualified Contractor Supplied Biologist to prepare the **Natural Resources Protection Plan (Item 30)**.

### Project Assumptions:

- The Contractor will provide a work schedule to Gallaway Enterprises with appropriate lead time so monitoring and surveys can be conducted according to project special provisions.

### Cost estimate:

The Engineer has estimated 45 Contractor Supplied Biologist Work Days will be required. Billing will reflect the actual number of working days worked. If more than six hours in a day is worked, then the hours worked beyond six hours will roll over and count toward a part of the next working day.
